## PARKING DIRECTIONS

- 1** Entrance 1 (preferred)  
Brooklands gate

School parking is available in the Brooklands Technology Park car park accessible via the Brooklands Gate at Sywell Aerodrome. Our office is located just across the grass from the car park.

After entering the Brooklands Gate, continue forwards until reaching the blue building. Turn right and continue through the yellow barrier to park in the car parking spaces on the right.

We would suggest parking here when arriving for lessons or dropping off passengers for our trial flying lessons or flying experiences as access to our office is easier.

- 2** Entrance 2  
Sywell Aerodrome car park

Parking is also available in the main Sywell Aerodrome car park located near the Aviator Hotel and Sywell Aviation Museum. Simply follow the pavement down towards the airside gate located near the aircraft apron as indicated on the map.

This is an ideal location to park for the viewing area and access to amenities available at Sywell Aerodrome.

If you plan on parking here, please let us know ahead of time so that we can arrange for someone to collect you from the airside gate which needs a code to access.
